University of Oxford

How does Upay work?

- You will queue as normal and as you receive your meal and exit, you will come to a till point.
- You will need to tap your University Card on the smart reader at the till point. You may also use a Upay app that can be downloaded to your smart device from Apple/Android stores.
- If successfully registered on Upay, as most College members would be, the till will bring your account up and charge your Upay account in line with your membership entitlement.
- If you don't have any credit in your Upay account, you may choose to pay with a debit or credit card (except American Express) * where applicable.
- Having an active Upay account will enable payments through it in the Dining Hall, the Hub Café and on upay.co.uk.
- This is the fastest method of payment and minimize your time in the queue. Payment via credit or debit cards are likely to cause a slight delay due to additional steps involved.

What do I need to do?

Your Upay account is linked to your active/current University Card (but not to the expiry date on the card), therefore always bring it with you when dining in College.

An active Upay account can also be accessed via the Upay app on a smart device, in absence of a University Card.

In absence of both of these, the staff may ask you for a valid ID.

If you think you should, but do not, have a Upay account, please email us.

The minimum amount you'll need to top-up is £15. We recommend a maximum balance of not more than £150.

Contact: hospitality@kellogg.ox.ac.uk for all queries regarding Upay
